

Youth Is Wasted On The Young

VERSE 01

It was yesterday

Somebody told me

Youth is wasted

On the young

VERSE 02

Just last week was

when it happened

A little boy

Killed his friend with a gun

CHORUS 01-02

He was so angry

She was so lonely

Why'd they both

have to

Go that way

You and I

will never

know the answer

I pray to God

they will change their ways

SOLO 01

VERSE 03

I remember

when I saw you girl

Your kindness

Just blew my mind

VERSE 04

With one look

You brought us together

But its so hard

For true love to find.

Youth Is Wasted On The Young

CHORUS

She was so angry	I was so lonely
But our love	drove the pain away
You and I	will never know the answer
and I guess that	its not my day

And our Love	Will Never Fade Away
